By filing this statement of Intent, I understand the following:

1. Completion of the minor is an optional degree requirement in my academic program.*
2. My approved enrollment period will not be extended for the purpose of completing a minor.
3. No priority for class registration will be given for courses required in the minor.
4. The *Statement of Intent* may be submitted to my college after I have earned 30 hours.**
5. This form must be submitted to my College prior to the last day to add a class in the semester I plan to graduate to assure timely processing.
6. Minor(s) will not be added retroactively to my record after graduation.
7. If I change colleges, it is my responsibility to inform the new college of my intention to pursue a minor.
8. Any variance from courses required in the minor must be approved on a *Minor's Modification Form* by the unit sponsoring the minor, that unit's college and submitted to my college office by the same deadline as in item #5 above.
9. I must earn at least 6 hours of **advanced** course credit **distinct from** credit earned for my major or another minor.
10. Credit/No Credit courses **cannot** be applied to the minor.
